Guarantee of origin:
Vulkanland Steiermark

We guarantee the Styrian origin of our
wines and exclusively process organic
certified grapes in our cellar from vineyards
in and around Straden.

**Steep vineyards and
challenging sites**

We cultivate very steep, challenging
vineyards at optimum altitudes and with
perfect exposures, thus contributing to the
conservation of a centuries-old cultural
landscape.

Handcrafted and organic wines

We place special emphasis on viticulture
close to nature, the sustainable cultivation
of our soils and the longevity of our vines.
We refrain from using herbicides, pesticides
and chemical fertilizers. We compost, grow
diverse cover crops and practice agriculture
encouraging beneficial insects. Reduced
yields, careful manual working and
harvesting exclusively by hand into small
boxes are crucial to us. While striving to
deliver superior quality, we are assisted by
experienced employees that form an
essential part of our winemaking family.
Since 2013 we are farming our vineyards
certified organic.

Best wine quality

We place high demands on wine culture and
manage an area under vine that allows us to
uncompromisingly pick and process the best
qualities every year. In the cellar, we
guarantee to carefully and individually age
our superior-quality wines that reflect their
origin and our personal philosophy by
authenticity and character.
