 Ehrenhausen Muschelkalk 2017
TEMENT

This Sauvignon is rather characterized by the fruit definition than by the taste intrusiveness. The fine aroma includes pineapple and mango, whereas the mouthful seems both delicate and rewarding, and manages to finish with rich mineral notes without standing above the aromatic, fine and elegant texture.

95

 Ried Steinriegl Sauvignon Blanc 2017
WOHLMUTH

Manual harvest, soft pressing, maturation in steel and wooden barrels enabled the creation of this outstanding sauvignon that contains both the minerals of the ground and the fruity and elegant essence of grape blend. Its nose reveals pepper and yellow-pulped fruit, whereas the sip shows up vertical, sapid and very balanced.

94+

 Ried Hochstermetzberg Sauvignon blanc 2015
MAITZ

Orange peel, vegetable stress, fruit, fineness and an elegant structure are the main qualities of this superior sauvignon whose nose is spicy and structured. Mineral, round and extremely pleasant to drink, it suggest an immediate repetita iuvant.

94+

 Ried Moarfeitl Sauvignon Blanc 2015
NEUMEISTER

Pink grapefruit to refresh nose and palate, a strong tannic sensation and a low alcoholic content are the main attributes for this compact and really comforting drink. In this case, you will feel sacrifice, steep slopes, rainfalls and the unstable climate, then a primitive strength, the vine one, rather (rightly) indulged than subdued.

WINE RANKING

94
